Circular 07/2021
COVID 19 LEVEL 1 REGULATIONS

We have received the following statement from Bowls SA regarding updating of protocols. "Following the move to Level 1 COVID-19 restrictions announced in the President's speech last night, from midnight Sunday 20 September 2020, we confirm that once we receive the latest Government Gazette, we shall publish updated protocols. This can be expected early next week."

As we anticipate that fours will be allowed in Level 1, the PERFECT DELIVERY JBA FOURS LEAGUE is scheduled to run from the 1st week in November 2020. The JBA Executive will confirm this once the updated protocols have been received from Bowls SA.
