TO: CLUB PRESIDENTS
CLUB SECRETARIES
CLUB COACHES

CIRCULAR 14/2021
JBA ACADEMY SQUADS 2021

We are pleased to see that a few of our keen bowlers are back doing 20/20 exercises and submitting them to the office. To this end we would like to take this opportunity to remind our players of exactly how the Academy is structured and what the expectations are in each level. Please ensure that all players start to submit their 20/20's as soon as possible.

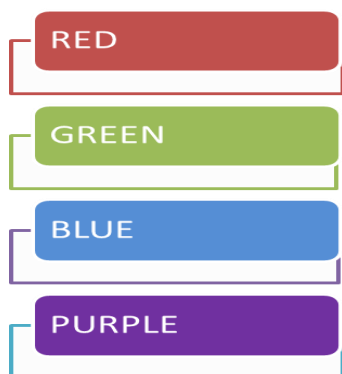

The next JBA Academy Camp will be held on the 18th October 2020 and will be for our GREEN and RED Squads.

JBA ACADEMY

Structure of the academy will be on a promotion relegation system.

There will be 4 tiers of the structure:

- Red = Level 4
- Green = Level 3
- Blue = Level 2
- Purple = Entry level.

- To begin the Levels will all start with 8 players. The first Academy will be for the (Purple) entry level and will be 9 men and 9 women selected by the selectors.

JBA Executive Committee

President: Rob Zimmermann

Members: Hon. Treasurer Maureen Smith, Dave Naughton, Colin Schneiderman, Terry Turner.

GM: Lance Sayce

- Once the Purple section has played the highest scoring man and woman will be invited to the Blue level and the bottom 2 men and women will be removed. Once the Blue level has had their academy day the same will apply 1 to move up and 2 to be dropped to the purple.
- After all levels have played it will be 2 up and 2 down which gives ample opportunity to progress up levels.
- In order to be part of the academy players must produce 2 x 20/20 per month. The highest 20/20 results will be placed in the purple section.
- No player will be eligible for the Inter-district selection unless they are part of the Academy and have completed 2 x 20/20 per month.
- Senior Academy will be initiated later in the year, however all senior players need to produce 2 x 20/20 per month to be eligible for Selection.

Squads for the 18th October will be communicated to the Club Secretaries shortly.

Yours in Bowls

Ann Davies - District Secretary
