CIRCULAR 45/2021
AUTOMATIC EXTERNAL DEFIBRILLATOR (AED) UNIT COST AND TRAINING

Good Morning All

After the incident which occurred at Randburg BC, where one of our members had a heart attack on the green, and thanks to the availability of an AED onsite and to the quick work of a trained member, who saved his life, the harsh reality that this type of thing can and does happen on our greens, was brought to the fore.

Further to the outcome of the JBA Council Meeting, Terry Turner on behalf of the JBA organized a discounted price for AED's to JBA clubs interested in purchasing a unit.

Included in the offer is onsite training on the unit for all club members belonging to any club which purchases an AED unit, at no extra charge.

- The price is R19500 excl. V.A.T.
- A rent to buy option is also available, which carries an added Cost Price.
- Full CPR courses accredited by Resuscitation Council of SA can be offered at R450.00 per person on request.

Any Club interested in this offer is asked to please contact the office on comps@jbabowls.co.za or contact Terry Turner 083 631 0245.

Thank you

Yours in Bowls
