CONGRATULATIONS PRESIDENT'S CUP WINNERS

Good morning JBA

On behalf of the JBA Executive we congratulate the following players on their achievements over the weekend during the President's cup.

We thank Bryanston Sports Club for hosting this prestigious tournament, great fun was had by all, and the finals were a family affair.

It was exciting to watch a mother (Esme Murphy member of Bryanston Country Club) and daughter (Emma Murphy of Roosevelt Park Bowls Club) play against each other for gold. The same applied for the men's final, where uncle (Michael Doyle of Roosevelt Park Bowls Club) and nephew, Luan Cronje, a member of the same club, competed for that gold medal.

After a battle on the green, in the end, experience trumped energy, with Esme Murphy delivering the two winning shots to claim gold. She immediately walked up to her daughter, where they warmly embraced for a few moments as the other players who had been holding their breaths cheered. Michael took gold for the men's tournament, with Luan proudly claiming silver.
