We have great pleasure in announcing the JBA Executive Committee for the 2021-22 Bowling Season. We thank the following members for making themselves available to serve on the committee and wish them all a successful year ahead.

Clubs are reminded to please engage with the Executive as they will support initiatives and create initiatives to help draw new members to the game of bowls and to our individual clubs. We are all in this together and face the same challenges so let's talk and share with each other. Our team is here to assist wherever possible.
