COVID REGULATIONS – SPECTATORS ALLOWED**

We are extremely pleased to announce that the amended Government Gazette of the 10th October 2021, has ruled that spectators are now allowed at Sporting Events but still observing a distance of at least one and a half metres from each other and adhering to all the safety protocols already in place.

'Spectators at the venue of the sports events are permitted but limited to 750 persons or less for indoor venues and 2 000 persons or less for outdoor venues and if the venue is too small to hold the prescribed number of persons observing a distance of at least one and a half metres from each other, then not more than 50 percent of the capacity of the venue may be used, subject to strict adherence to all health protocols and social distancing measures.'

Enjoy this opportunity and keep safe!

Kind regards
