**CIRCULAR NO: JBA 87-2021
NOVICE STATUS OF BOWLERS**

The JBA Executive, in consultation with the Players Association, have taken the decision, that due to the impact of COVID, Novice qualifications will be extended to FOUR years for the next two years to allow the Newbies to play and participate in the 'normal' way in as many tournaments as possible.

Members are asked not to abuse this and your registration on the BSA database will now be for a term of 5 years enjoying novice status, thus reverting back to three years at the end of 2022-2023 season.
